- PHIL SWAIN** *TROMBONE/VOCALS*
- RON BANNERMAN** *SAXES*

**SHORT & HORNY** Thanks to our numerous supporters for their encouragement to produce this, our second CD. It would not have been possible without the amazing talent and professionalism of Rob at Main Street Studios. We are proud that the music reproduced on the CD captures the same sounds that you would hear at our gigs. To find out where we are playing, a full song list and more about the band visit our website at
